

Online Reservation System >>

We would like to offer your hotel(s) our online reservation, payment settlement, and especially e-marketing services. Our clients have significantly increased their online revenue after using Calypso System products and services.

Our clients ranges from major 5 star hotel chains such as Dusit Thani and Royal Princess Hotel Groups to small individually owned 3 star resort such as Samui First House. We also provide reservation back office and rates administration system to major online travel portals such as www.agoda.com, AsiantrailsBali, Go-Thailand Tour, and the National Convention Center (NCC), plus many more. On top of this, we also provide Internet payment gateway for tour operators such as East-West groups and many hotel groups like the Pinnacle hotels.

Below is a list of some of the hotel websites using Calypso System reservation engine and reservation handling services.
